# Disclaimer

# Legal Disclaimer

It is advised to read the following “disclaimer” complete and carefully. Nothing here constitutes any kind of legal, financial, tax, business or any kind of advice, you may consult your own professional financial advisor/advisors for any activity herewith. All of the information provided here is not intended to be complete, and it should never be construed as a part of different contractual arrangements. It is our firm conviction that the information provided in this white paper is accurate and up to date and that all products, services, technical architecture, token distribution, and company timelines are accurate and up to date. An investment in any kind contains risks in any digital currency. These risks contains liquidity risks, market risks, market volatility, economic, political and regulatory risks.

The Whitepaper and the Website are intended for general informational purposes only and do not constitute a prospectus, an offer document, an offer of securities, a solicitation for investment, or any offer to sell any product, item or asset (whether digital or otherwise).

The information provided in the white paper is stated to be accurate and up to date by the company itself. Prior to the listing of tokens at a cryptocurrency exchange or trading platform no liquid market for Tokens will exist. Markets for crypto assets are not mature nor fully developed markets with sufficient liquidity and volume to provide stable prices.
